

Claremont Bank Surgery

Fees and Charges

Under the General Data Protection Regulation (2018) we can provide information to patients on what details the Practice has on file about them free of charge. However, we can charge a “reasonable fee” when a request is manifestly unfounded or excessive, particularly if it is repetitive. ***The fee is based on the administrative cost of providing the information only.***

However, not all services at the surgery are available under the NHS.

Please see the below list of items for which a fee is payable.

Private prescription	£15
Private sick note	£10
Shotgun certificate	£25
Full medical examination and report <i>Includes (but is not limited to) HGV, Taxi, Pilot, employment medicals and council reports.</i>	£60 - £175.50
