NEW ONLINE PATIENT ACCESS SERVICES

There are now **NEW** services on the 'view medical record' page via Patient Access. Patients who have already signed up to Patient Access will need to come into the surgery and re-apply (ID will be required). Access to medical records online is only available to patients aged 18 and over.

Once you are registered you will be able to view details of test results, immunisations, consultation titles and conditions.

You will be given a leaflet to read regarding 'Patient Access' and also a request form which you will need to complete first. For more information speak to the receptionist.

CLOSURE

We are closed on the first Tuesday of each month for one hour from 12pm for staff training or a practice meeting
